

Beetlejuice Shrimp Arm shells

This shrimp arm file includes the 5 primary segment pieces you will need to make your shrimp arm as well as 2 additional segments you can use to fill holes, gaps, or spaces in your arm assembly. The pieces are labelled on the following pages.

Top of
hand/Segment
#4

Segment #3 –
and yes, it's
upside down
here. Apply it
right side up with
pointy part down
towards bottom
of piece.

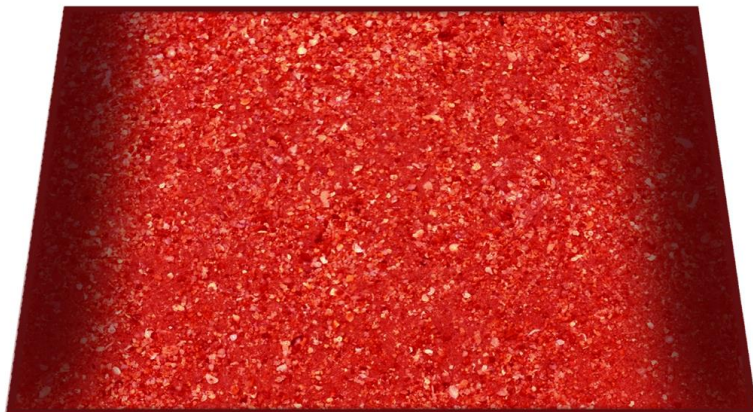

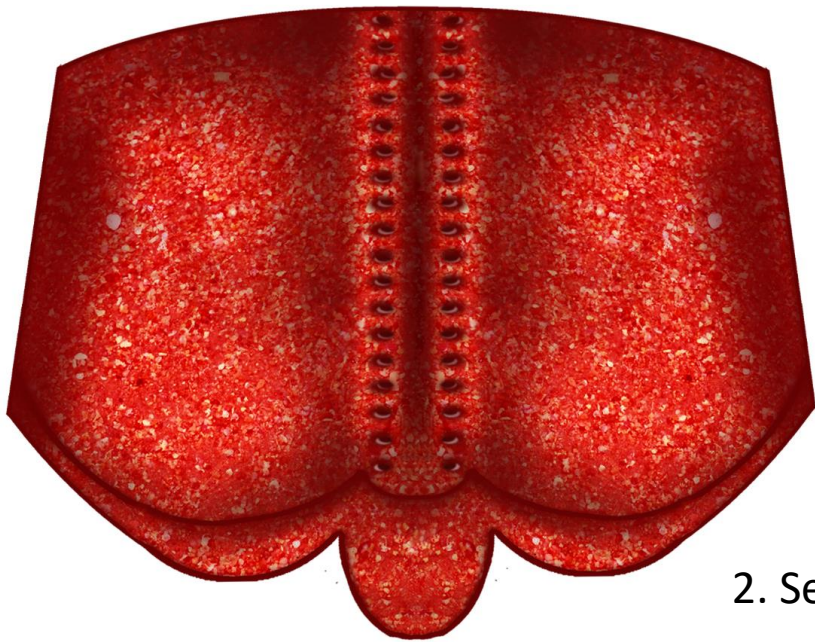

3. Under piece
of segment #3

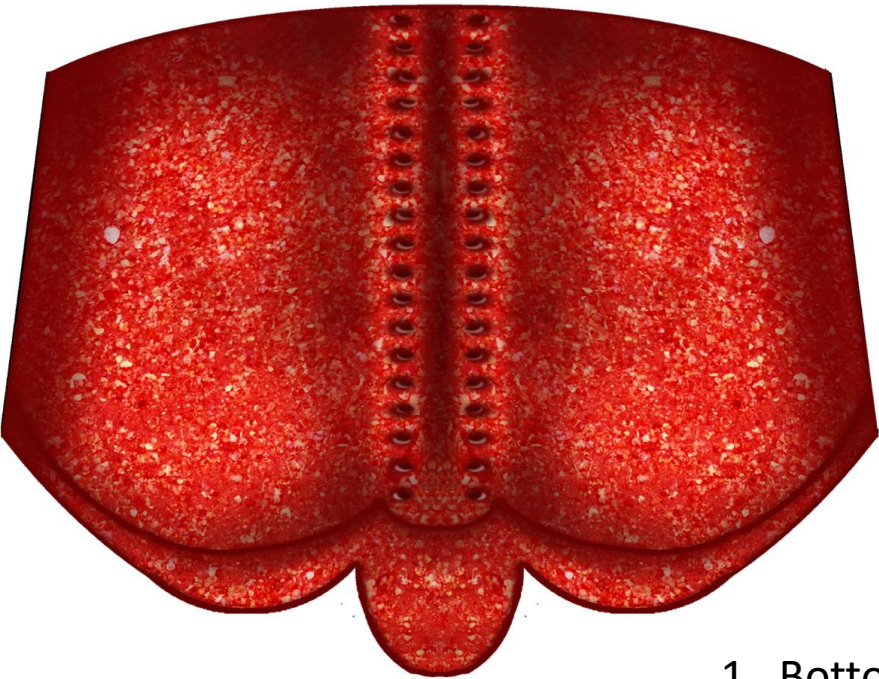

“extra” pieces
Just in case
